Artist's statement:

I paint for the process - the pure enjoyment of painting. I cannot imagine not painting. Likewise, I couldn't have imagined the endeavors that my art lead me towards - teaching art for three years on ETV, being the only person locked inside a super Wal-Mart store, on a scissor lift (while painting murals near the ceiling), and owning a small manufacturing business, winning the Governor's Award for Small Business Employer of the year - 1984. Somewhere along the line, art moved into my life.

Tondra Williams from Norwood will be showing her Jewelry in the Showcase at the Agri-Civic Center now through February
